

Articles published in the Archives of Metallurgy and Materials (starting from issue 1/2018 vol. 63) are published on the pages of the publishing house of the Polish Academy of Sciences, Electronic Library of Polish Academy of Sciences.

1. Fee

The editors of the Archives of Metallurgy and Materials kindly inform that in the view of the increasing article processing costs and in order to maintain the highest standard and the widest publication availability to our readership we had no alternative but to introduce article processing charges (APC). The APC is payable by the Author or research funder to meet all the associated publication costs.

We would like to inform the Authors that from July 1, 2024, the fee is increased and will amount to 300 EUR plus 23%VAT (1250 PLN net for authors with Polish affiliation).

This fee applies to articles that do not exceed 20 typewritten pages, written in 12-point font, and include figures and tables. For more than 30 typewritten pages, an additional fee of €15 per page will be charged.

The payment should be done after acceptance and before publishing the manuscript. The cost of printing conference articles remains unchanged and is determined on the basis of a cooperation agreement between the conference organizers and the editorial office.

2. The platform is available at www.journals.pan.pl and <http://imim.pl/archives>

3. The publishing platform is connected to the iThenticate anti-plagiarism system.

4. The reviewing process is based on the anonymity and independence of reviewers - peer-review/ Single blind review.

5. License type: Journal license is - CC BY 4.0 Articles are printed in an open access and distributed under the terms of the Creative Commons Attribution License (CC-BY 4.0, <https://creativecommons.org/licenses/by-nc/4.0/deed.en>). This license allows others to distribute, remix, modify and build upon the author's work, even commercially, as long as the author of the original work is attributed to him.

Notice: Each article that has been positively reviewed receives a DOI number immediately, regardless of the date of publication.
